

To Whom It May Concern:

We thank you for your consideration to support Lights for Lives, sponsored by the Stratham Volunteer Fire Department Association (SVFDA.) Lights for Lives is an annual house lighting contest and fundraiser that supports a charity or family in need in Stratham, NH. This year, we are honored to be supporting Gloria Johnson and her family.

Our goal with Lights for Lives is to raise funds and donations to allow Gloria to gain more independent mobility with improvements to her home and adaptive equipment that will allow her to enjoy outdoor activities with her family.

***Gloria Johnson** is a 9-year old girl entering the 4th grade at Stratham Memorial School. Gloria was born with severe brain malformations, is missing nearly half of her brain and battles cerebral palsy and a seizure disorder. Her parents were given very little hope by doctors for her outcome at birth, but Gloria defied all expectations and continues to do so each and every day.*

Gloria struggles with daily seizures for which she takes many medications. She is also on a very specialized diet called the Ketogenic diet which helps with the seizures, but requires an inordinate amount of time and preparation for her parents to maintain and follow. A year ago, Gloria had major hip surgery and has made wonderful gains physically. However, her independent mobility remains her biggest obstacle.

Lights for Lives will host a public Open House to announce winners of the lighting contest and to raffle off donations from across the Seacoast on Sunday, December 16, 2018 from 11am to 1 pm. We will also be celebrating Gloria's 10th birthday, which is on the same day.

Any donation would be tax deductible through the Stratham Volunteer Fire Department Association, a 501(c)3 organization. The tax ID number is 27-4225606.

Thank you for your support!

Sincerely,

The Lights for Lives Committee
