

To Whom It May Concern:

Thank you for considering supporting Lights 4 Lives, sponsored by the Stratham Volunteer Fire Department Association (SVFDA). Lights 4 Lives is an annual house lighting contest and fundraiser that supports a charity or family in need in Stratham, NH. This year, we are honored to be supporting Team Sweeney.

Liam Sweeney, age 10, was diagnosed before he was born with Cystic Fibrosis (CF), a progressive disease that substantially impairs normal respiratory and digestive functions. A typical “healthy day” for Liam involves 34 pills, 19 medications, 1 hour hooked up to respiratory therapy, 4 cans of high calorie formula, 2 sinus washes, 3 salt replacement drinks, and 8 hours connected to an IV pole through his feeding tube while he sleeps.

Light 4 Lives is helping Team Sweeney raise awareness of this devastating disease as well as to raise funds to find a cure for CF. Although significant therapies have been developed to treat symptoms of CF, it is not enough. For the first time in the CF Foundation's history, scientific opportunities are coming at a pace that is exceeding the ability to fund them.

We will celebrate our partnership with Team Sweeney at our Open House on Sunday, December 15, 2019 from 11am to 2 pm. On that date, we will announce the winners of the lighting contest and raffle off the generous prizes donated by businesses from across the Seacoast.

All donations are tax deductible through the Stratham Volunteer Fire Department Association, a 501(c)3 organization. The tax ID number is 27-4225606.

Thank you for supporting Lights 4 Lives and Team Sweeney!

Sincerely,

The Lights 4 Lives Committee
